# LITERARY DEVICE analysis

Your job is to analyze literary devices that may occur in the text. After you find a literary device, write the type of device it is, write evidence from the text, and then analyze how it impacts the text during your reading so far or during your reading this week.

**Literary device examples:** mood, tone, foreshadowing, flash-forward, flashback, dream sequence, simile, metaphor, personification, hyperbole, allusion, alliteration, onomatopoeia, idiom, irony, etc.
