

SNAP

Number Sense (Thousandths to Billions)

Name: _____

Date: _____

Count **forwards** by **.07** from the number.

Draw to represent the value of the number:

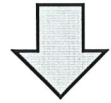

Write to describe your picture:

Write the number in expanded form:

Create 3 equations that equal the number:

42.37

Write a real life example that shows the value of the number:

Count **backwards** by **.05** from the number.

Show where the number belongs on the number line.

Reflect:
