Administration Message

As the leaves have fallen and the air turns cooler, it's hard to believe we are already saying goodbye to October! Students are now well settled into their classroom routines, and our school has been buzzing with extra-curricular activity. This fall, many of our students took part in cross-country, soccer, and volleyball – a big thank-you to our dedicated coaches for providing these wonderful opportunities outside the classroom.

October was a busy month filled with learning, assessments, and fun. Many classes enjoyed field trips to exciting destinations such as the Blue Heron Reserve and the Corn Maze, giving students hands-on learning experiences outdoors. We're so grateful to our teachers for organizing these enriching adventures.

A special shout-out goes to our Leadership class, who brought plenty of school spirit and laughter during the last week of October. From the Halloween Fashion Show and Halloween Ball to pumpkin carving, every student had a chance to join in the fun. Thank you to the Leadership team and the teachers who made these events possible!

This month, our Remembrance Day Ceremony takes place on November 7th. Many of our students play an active role in this important event. If you plan to attend in-person, please RSVP by completing the form linked [here](#) and below so that we have adequate seating.

We have truly enjoyed getting to know our many new students and families this year. Please continue to reach out if you have any questions or concerns. Keeping open lines of communication with teachers is so important, and we encourage you to stay connected by visiting our Facebook page and school website. There are also many ways to get involved through volunteering or attending a PAC meeting – because every voice makes a difference in our school community.

Warm regards,
Mr. Fehlauer & Ms. Davis,

Stay Connected!

We encourage all families to stay involved and engaged. Here are some ways to stay connected with us:

- Reach out to your child's teacher
- Check our **school website** and **Facebook** page for updates
- **Volunteer** in your child's classroom
- Attend a **PAC meeting** — your voice matters!

Together, we can continue to build a strong, supportive school community.

Parking Lot

We know that parking is at a premium in the morning and at the end of the day. Please make sure you are not parking in the through lanes, bus lanes, or in no parking areas. Our drop-off area is just outside the library. If that is full, please park in the parking lot to avoid unsafe situations and blocking off traffic. Please use the crosswalk and crossing guard when moving back and forth between the parking lot and the school.

Drop Off

Supervision for students begins at 7:30 a.m. Please do not drop off your students or have them walk to school before supervision begins. We also ask that if you are using the drop-off lane, that you remain in your car. This will keep traffic flowing. If you need to get out of your car, please park in the parking lot.

End of Day Pick Up

We are doing our best at the end of the day to ensure that students get to their busses on time, or for those that are picked up by a parent, that this happens safely. To reduce congestion, we ask that students and parents do not congregate at the front entrance so students can get to their bus or car without walking through a crowd. Students who are getting picked up by a car are asked to wait on the sidewalk in front of the library. We also ask that students who are walking, biking, or scooting home, to leave the campus right away. Those waiting for late buses are asked to wait on the playground and to avoid the front entranceway.

The personalization form is available on your child's Student Quick Pay account under Optional Items. If you have any questions, please email Ms. Chen at wenhui_chen@sd33.bc.ca

News From the Library

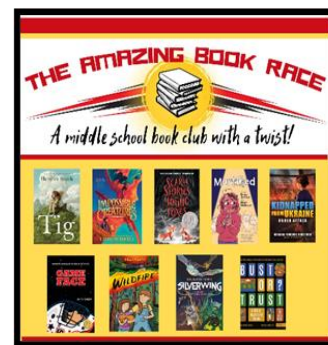

SCHOLASTIC BOOK FAIR - Save the Date!

The Scholastic Book Fair is coming to our school **November 24 - 28!** Your investment in your reader helps our school. All purchases earn Scholastic Dollars that can be redeemed for books and educational resources for our classrooms and library. See you at the Fair!

NEW CLUB AND DISTRICT COMPETITION FOR GRADES 6 – 8: AMAZING BOOK RACE!

Open to all grade 6 – 8 students and supported by our PAC, we are pleased to offer students the chance to choose from an exciting list of book options, join our team, and attend a district-wide event that celebrates reading. Our first information meeting for students will be in the first week of November. Encourage your youth to participate.

READING LINK CHALLENGE GRADES 4 – 5 – INFO AND TITLES COMING VERY SOON!

Reading Link Challenge (RLC) is a provincial program that promotes the "sport of reading" among grade four and five students. Teams compete in a series of trivia-style challenges based on six books which are changed every year. There is a school challenge, from which one team moves on to a community challenge, and one team from the region will even move on to a provincial competition held in the lower mainland.

SUPER READERS

Congratulations to those who have turned in 25 and even 50 nights of reading! All elementary students are invited to participate and work toward up to 200 nights of reading. Each evening your child reads (or is read to) for 15 minutes gets recorded in their "Reading Log" (in Agenda Book for grades 1 - 5 or on a red paper for the kindergarten classes). Once a set of 25 nights has been completed, students bring the log to the library to receive a prize; names are displayed in the hallway trophy case. There will be special presentations upon reaching 100 and 200 nights. It is never too late to join.
