# 4. VISIT LOCATION: Archie's Arcade

You go to Archie's Arcade in hope to find other people who have visited the pizzeria to see if they experienced a grumpy ghost encounter at the restaurant. Jonah, who is a regular customer at Pepe's Pizzeria, seems like a worthwhile start.

**Jonah Jones**

*"Yes, I love eating pizza! Pepe's Pizzeria makes the yummiest pizza in all of Readville. I think I've gone there almost every night for the past three weeks. I usually go late at night when it isn't as busy, which means that I also get to chat with my dear friend Hayley Humble."*

*> Jonah looks down at his shoes <*

*"To be honest, I've been super sad ever since Hayley started working at the restaurant. I miss hanging out with her. If you can keep a secret, I mainly go to Pepe's Pizzeria to spend time with Hayley."*

You ask Jonah where he was last night.

**Jonah Jones**

*"I went to Pepe's Pizzeria at 8:35 p.m. I remember the time because I had just finished watching the television show 'Mathhattan Mysteries.' The episode last night was about a pickpocketing pirate. Anyway, I ordered a regular Pepe's Pepperoni special. I tried to talk to Hayley, but she seemed preoccupied and avoided me.*

*So, after that, I decided to visit Larry the Wizard. I asked Larry if he could teach me some cool tricks. Awkwardly, because I don't have any real magical abilities, Larry could only teach me a few silly tricks, which are just an illusion to the eye. Casey Smith was with us at Larry's tower too. Casey was trying to learn some tricks to improve her dance act for the Talent Show that will be on tonight. Oh my goodness, the Talent Show! I forgot that I'm meant to be helping with the set up of the chairs for the event!"*
