5. VISIT LOCATION: Readville High School

You go to Readville High School with Jonah to continue asking around in the hope to find some information that will help your case.

Casey Smith

"Jonah -- Where have you been? You were meant to be here at least two hours ago to set up the chairs for the audience."

Jonah Jones

"Relax, there's still heaps of time to put up a bunch of chairs. You can get back to worrying about your silly dance act. You said yourself last night that your act has no hope of winning without Hayley Humble, so are you obsessing over it?"

Casey Smith

"Well, it turns out Hayley doesn't have to go to work tonight anymore, so our dance act is going to be fabulous! With Hayley's awesome acrobatics, I won't need to use those ridiculous tricks Larry was trying to teach me last night; what a relief. I think we have a pretty good chance of winning now."

Lola Turf

"Our dance is going to be epic! I just got off the phone with Hayley. She said that she is buying some wigs to go with our sparkly costumes and that she will meet us for a rehearsal in half an hour. I'm so thrilled that she will be able to join in the act tonight. I was so nervous about attempting that triple backflip move, I don't think I could've pulled that off without injuring myself."
