6. VISIT LOCATION: Larry's Chamber

Larry the Wizard

"Hi, detective! Watch your step, some areas in my chamber are a bit cluttered at the moment. I've been working hard on a new spell that will make things disappear completely. Unfortunately, every time I try it, the item turns up somewhere else at random."

Giggling, you suggest that Larry should probably try to master where the items end up first.

Larry the Wizard

"You're right! I'll grab a few more items and see if I can control them to appear somewhere else in my tower at least. I think that I frightened a few people last night with a few things suddenly popping up in front of them. I received a very angry phone call from Mrs. Shorttemp when my poor cat suddenly appeared on her dinner plate."

Patch the Cat

"I'm just lucky the food on her plate wasn't hot! That would've burnt my tail! At least the whole shenanigan cheered up Casey and Jonah. Those two didn't stop laughing for thirty minutes when Mrs. Shorttemp came by to return me and scold Larry. That happened around 10:45 p.m. last night!"

Larry the Wizard

"See, that is why I did the whole trick, Casey and Jonah were both a bit of a sad bunch when they first arrived at around 9:00 p.m. Casey was all worried about the Talent Show and not having a chance to win. Jonah was sulking over missing hanging out with his friend Hayley. A few silly tricks and they were both chuckling and smiling again. I'm a wizard not a psychologist after all."

Patch the Cat

"It was pretty funny watching those two trying to learn some tricks. Casey was desperately trying to learn tricks that would enhance her dance choreography; she fell over so many times! Then Jonah was trying to do the same disappearing act, by trying to make a white towel appear somewhere else. He had no luck since he has no real magic. It would've been nice if he could've' made it appear in the cupboard again."
