8. VISIT LOCATION: Readville Mall

You go to Readville Mall to see if you can find Hayley Humble and interview the victim of last night's Grumpy Ghost incident.

Hayley Humble

"Hey detective, I'm a bit stressed at the moment. I'm looking for hats, but I can't seem to find any decent wigs to go with some costumes my dance group need for the talent show."

You ask Hayley about the grumpy ghost that she saw last night.

Hayley Humble

"Really? I didn't think Pepe would hire a detective to investigate something like this ghostly situation. So, um, I had the closing shift last night, and I was by myself mopping the kitchen floor until suddenly this ghost appeared all grumpy. He made the room windy and screeched at me to leave. It was frightening! So I dropped everything, dashed through the back door, and ran home. I rang Pepe the first thing this morning to tell him what happened. Anyway, I really must go now, see ya!"

Daniel sees you talking to Hayley and walks up to chat.

Daniel Clover

"Hey, I am not a grumpy ghost. Why is Hayley running off already? I was going to say I'm thrilled to hear about Hayley's ghost experience. I've never believed in ghosts, but I kind of always wanted to. When Peter Pear spoke of his experience with a grumpy ghost, I thought that was super cool, but found it hard to believe because why was he the only one who had seen it? I tried hanging around Readville Cemetery in the hopes that I might get to see a ghost, but it's never happened. Anyway, I probably should get ready for the Talent Show tonight. I'm going to be playing the drums with my band. Hope to see you there, detective."
